600x1200 mm

STATE OF THE ART MANUFACTURING FACILITIES

Orient Bell Limited (OBL) is one of the largest manufacturers of wall and floor tiles in India. Established in 1977, OBL has been a pioneer in the industry, with a strong focus on customer-centric innovation.

It was the first to manufacture ultra-vitrified tiles, and new product design and development continue to be an ongoing process at OBL. As a result, the company offers an extensive range of tiles in various finishes and textures.

OBL holds three patented technologies - Anti-Static Tiles, Anti-Viral Tiles and Scratch-Free Forever Tiles.

To showcase its wide range of tiles, OBL operates a chain of signature showrooms. Privileged to be associated with leading architects and construction firms across the country, OBL also counts most of the top developers, government bodies, and public sector institutions among its valued customers.

LISTED ON BSE (530365) FOR ~30+ YEARS. AND ALSO ON NSE (ORIENTBELL).

At OBL we believe in excellence. The ISO 9001:2015 accreditation for our quality control management systems reflects this quest for manufacturing products that meet international standards. In 2015 our Sikandarabad plant was awarded with prestigious ISI certification for its products.

As early as in May 2000, OBL was awarded the prestigious ISO 14001 certification by the internationally recognised BSI Management Systems, UK. Our manufacturing units are ISO 14001:2015 certified, the most complete and global expression for an environment friendly industrial company.

We believe in making great products in a safe, healthy and environment friendly way. We have been awarded OHSAS 18001 Certification for Health & Safety Standards. No waste water is ever discharged from our factory.

OBL won the "Certificate Of Merit" in National Energy Conservation Award' 2016 organised by Ministry of Power for saving on Power and Fuel consumption.
