*“The best interiors are a reflection of where you have come from and a signifier where you want to go”*

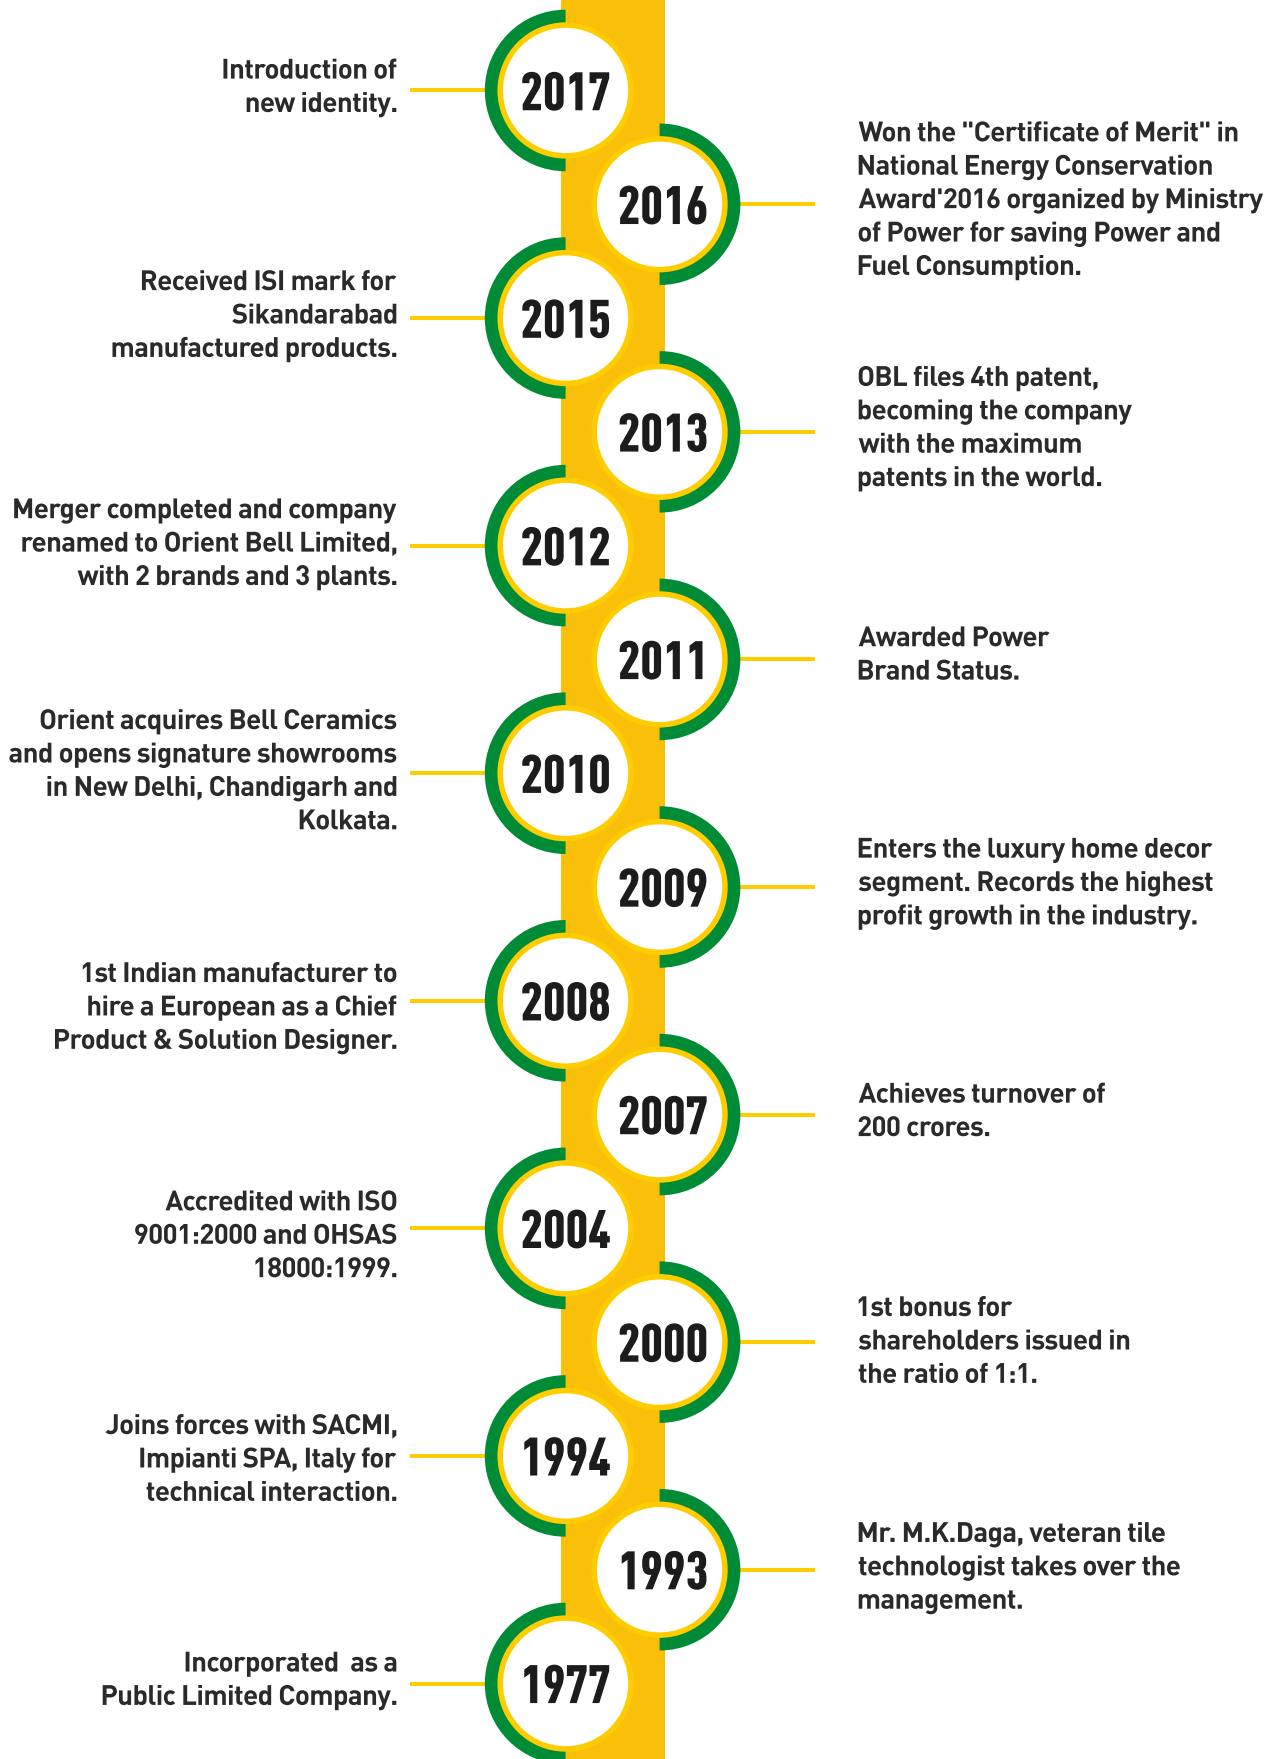

Orient Bell Limited was established in the 1970s, with its base in New Delhi. The company is one of the largest manufacturers of ceramic and vitrified tiles as well as the first to manufacture ultra-vitrified tiles in India. It has launched a chain of signature showrooms to display the complete product range by aiding retailers in concept selling and is privileged to be associated with the premier construction and consultancy agencies of the country. Its new product design and development is a continuous process, which aids in providing an extensive product range in tiles with various finishes and textures. With specialty tiles for different applications, Orient Bell has the maximum number of patents for four varieties of tiles and counts some of the leading influencers, developers and government institutions as its customers.

At OBL, we believe in the religion of excellence and our customers look to us with the anticipation that our next move will yield another inspired more stunning creation. It is not surprising that such devotion has earned us not only the patronage of our customers but also the accreditation of ISO 9001:2008 for our quality control management systems. Our manufacturing units employ the latest technology to manufacture products that adhere to international standards. We strive to raise our own benchmark, thus meeting the demands of both aesthetic appeal and durable functionality of our customers. Our manufacturing units are also certified in accordance with ISO 14001:2004 and International standard, the most complete and global expression for an environment friendly industrial company. In May 2000, OBL was awarded the prestigious ISO 14001 certification by the internationally recognized BSI Management Systems, UK. In 2015 our Sikandarabad plant was awarded with prestigious ISI certification for Sikandarabad produced products. We won the "Certificate of Merit" in National Energy Conservation Award' 2016 organized by Ministry of Power for saving Power and Fuel Consumption.

**BOO FOR SELECTION OF PRODUCTS FOR  
INCORPORATION IN ALL MES WORKS**

1. As per dms of E-in-C's Branch letter No 43285/Prod-Misc/113/Des-2 dt 10 Mar 2014 a BOO has been convened at this HQ recommendation of type and brand of products for incorporation in all MES works. The BOO considered the centralized list given by E-in-C's Branch in addition to the lists forwarded by the Zones.
2. The board has studied the products based on the factors of universal availability, regional availability & quality and recommended them for incorporation in all MES works as per Appx 'A' (E/M items) & 'F' (B/R items) att. These list cover both the centralized as well as the Zonal specification.
