Formigine, 22nd April 2025

To Whom It May Concern,

Dear Sirs,

We were absolutely thrilled to learn about your latest success in producing 600x1200 size tiles with a white body using our dry process technology. This is truly remarkable and a significant milestone.

We understand that you are the **very first** among our esteemed clientele to achieve the production of large format white body tiles using the traditional dry grinding method. This pioneering spirit and your commitment to innovation are truly commendable.

Your continued success with our dry process, now extending to these impressive large formats, demonstrates your technical expertise and forward-thinking approach. We are incredibly proud to be your technology partner in this groundbreaking achievement.

Please accept our warmest congratulations from the entire team at Orient Bell. We deeply value our partnership and are excited to witness your continued growth and innovation in the ceramic tile industry.

Thank you for your trust and for pushing the boundaries of what's possible.

Sincerely,

Minerali Industriali Engineering Srl

Vulcano Massimiliano C.E.O.

Orient Bell Limited (OBL) is one of India's largest manufacturers of wall and floor tiles. Established in 1977, OBL has been a pioneer in the tile industry, with a strong emphasis on customer-centric innovation and quality.

Our Hoskote plant in South India is dedicated to dry process tile manufacturing. Through this sustainable method, we save approximately 10 liters of water for every square meter of tile produced.

OBL is proud to be the first company globally to manufacture 600x1200 mm white body tiles using dry process technology. We offer an extensive range of tiles in various sizes, finishes, and textures to meet diverse design needs.

We hold two patented technologies-Anti-Static Tiles and Anti-Viral Tiles and have three more technologies under patent application: Scratch-Free Forever Tiles, Germ-Free Tiles, and Cool Tiles.

OBL is a proud contributing member of the Indian Green Building Council (IGBC), reflecting our commitment to sustainability and innovation in building materials.

To showcase our wide product portfolio, OBL operates a network of signature showrooms across the country. We are privileged to collaborate with leading architects, construction firms, top real estate developers, government bodies, and public sector institutions, who form an integral part of our valued customer base.

/ Endless

redefine elegance with a continuous, joint-free appearance that creates a seamless flow across surfaces.

Seamless Aesthetics

One of the advantages of endless tiles is that they can give an illusion of a continuous surface. This will give the impression that veins flow continuously, making rooms look bigger and open. This visual flow inspires especially in modern and minimalist designs.

Better aesthetic quality

With endless tiles, intricate designs and patterns can flow uninterrupted in the entire space. It can be designed to achieve a sleek marble look or a rustic wood finish or even a modern concrete design. In any case, the seamless effect enhances the aesthetic appeal of the interior & exterior space.

Versatility in Application

Endless tiles are excellent for any installation, from floors and walls to exterior facades. Their scope of use is from residential to commercial application and therefore the best for any project-big or small, whether it be an intimate bathroom or an enormous hotel lobby.

/ One Texture, *Seven Shades of Style.*

This unique tile series features one stunning marble available in seven captivating colours, offering the perfect balance of consistency and variety. The single marble ensures a cohesive and seamless aesthetic, while the diverse colour palette allows for creative freedom in design. Whether you're aiming for a subtle, elegant look or a bold, vibrant statement, this collection provides versatile options to suit any interior or exterior space.

/ Seven Moods

Endless Possibilities

Discover a vibrant harmony of design with our Seven Colours Tile Collection, where these tiles unfolds in seven stunning shades. Each colour has been thoughtfully curated to reflect a unique mood—from calming neutrals to bold, expressive tones—allowing you to personalize your space with confidence and creativity. Whether you desire warmth, depth, or a touch of modern flair, this versatile collection brings your vision to life with consistency in finish and unmatched style.
