

CODE OF CONDUCT FOR PREVENTION OF INSIDER TRADING, 2025

INTRODUCTION

Insider trading means dealing in Securities of a company by connected persons or other Insiders based on Unpublished Price Sensitive Information. Such dealings by Insiders erode the investors' confidence in the integrity of the management and is unhealthy for the capital markets.

The Securities and Exchange Board of India (SEBI), in its endeavor to protect the interests of investors in general, had formulated the SEBI (Prohibition of Insider Trading) Regulations, 2015 under the powers conferred on it under the SEBI Act, 1992 which got amended from time to time. Lately SEBI, in order to further strengthen the Insider Trading norms and to curb the use of Unpublished Price Sensitive Information by the Insiders, has made substantial modifications in the existing Regulations.

1. Designated Persons and immediate relatives of designated persons in the organisation shall be governed by this code of conduct governing dealing in securities.
2. Designated persons may execute trades subject to compliance with these regulations. Towards this end, a notional trading window shall be used as an instrument of monitoring trading by the designated persons. The trading window shall be closed when the compliance officer determines that a designated person or class of designated persons can reasonably be expected to have possession of unpublished price sensitive information. Such closure shall be imposed in relation to such securities to which such unpublished price sensitive information relates. Designated persons and their immediate relatives shall not trade in securities when the trading window is closed.
3. Subject to the Prohibited period as mentioned in the below paragraphs, the Trading restriction period can be made applicable from the end of every quarter till 48 hours after the declaration of financial results, as may be decided by the Board of Directors from time to time.
4. The gap between clearance of accounts by audit committee and board meeting should be as narrow as possible and preferably on the same day to avoid leakage of material information.
5. Subject to the Prohibited period as mentioned in the below paragraphs, the timing for re-opening of the trading window shall be determined by the compliance officer taking into account various factors including the unpublished price sensitive information in question becoming generally available and being capable of assimilation by the market, which in any event shall not be earlier than forty-eight hours after the information becomes generally available.
6. When the trading window is open, trading by designated persons shall be subject to pre-clearance by the compliance officer, if the value of the proposed trades is above such thresholds as the board of directors may stipulate.

CODE OF CONDUCT FOR PREVENTION OF INSIDER TRADING, 2025

7. Prior to approving any trades, the compliance officer shall seek declarations to the effect that the applicant for pre-clearance is not in possession of any unpublished price sensitive information. He shall also have regard to whether any such declaration is reasonably capable of being rendered inaccurate.
8. In any event trades that have been pre-cleared have to be executed by the designated person not more than seven trading days failing which fresh pre-clearance would be needed for the trades to be executed.
9. In any event a designated person who is permitted to trade shall not execute a contra trade within six months. The compliance officer is empowered to grant relaxation from strict application of such restriction for reasons to be recorded in writing provided that such relaxation does not violate these regulations. Should a contra trade be executed, inadvertently or otherwise, in violation of such a restriction, the profits from such trade shall be liable to be disgorged for remittance to the Board for credit to the Investor Protection and Education Fund administered by the Board under the Act. Provided that this shall not be applicable for trades pursuant to exercise of stock options.
10. This code stipulates formats for making applications for pre-clearance, reporting of trades executed, reporting of decisions not to trade after securing pre-clearance and for reporting level of holdings in securities at such intervals as may be determined as being necessary to monitor compliance with these regulations.

as a means of managing Conflicts of Interest. Where Chinese Walls arrangements are in place, Designated Persons working within an Insider Area are prohibited from communicating any Confidential or Inside Information to those who operate in Public Areas.

In exceptional circumstances, Designated Persons from the public areas may be brought "over the wall" and given confidential information on the basis of "need to know" criteria, on executing non-disclosure agreement with the Company.

- b) In case of Employee Stock Option granted to an employee under the Company's Employee Stock Option Scheme, if applicable, exercise of option is allowed during the period when the trading window is closed. However, sale of ESOP shares by an employee falling within the definition of Designated Person or Insider shall not be allowed when Trading Window is closed.

CODE OF CONDUCT FOR PREVENTION OF INSIDER TRADING, 2025

- c) The intimation about the period when the Trading Window is closed shall be given by the Compliance Officer, wherever required, through e-mail, circular etc.

TRADING WHEN IN POSSESSION OF UNPUBLISHED PRICE SENSITIVE INFORMATION

No Insider shall trade in securities of the Company when in possession of Unpublished Price Sensitive Information unless such insider proves his innocence by demonstrating circumstances which may include:

- (i) the transaction is an off-market inter-se transfer between promoters who were in possession of the same unpublished price sensitive information without being in breach of regulation 3 of the Regulations and both parties had made a conscious and informed trade decision;
- (ii) in the case of Non-Individual Insiders: –

CODE OF CONDUCT FOR PREVENTION OF INSIDER TRADING, 2025

- (iii) entail trading for a period of not less than twelve months;
- (iv) not entail overlap of any period for which another trading plan is already in existence;

The Compliance Officer shall review the trading plan to assess whether the plan would have any potential for violation of these regulations and shall be entitled to seek such express undertakings as may be necessary to enable such assessment and to approve and monitor the implementation of the plan.

The trading plan once approved shall be irrevocable and the insider shall mandatorily have to implement the plan, without being entitled to either deviate from it or to execute any trade in the securities outside the scope of the trading plan. Provided that the implementation of the trading plan shall not be commenced if any Unpublished Price Sensitive Information in possession of the insider at the time of formulation of the plan has not become generally available at the time of the commencement of implementation and in such event the Compliance Officer shall confirm that the commencement ought to be deferred until such Unpublished Price Sensitive Information becomes generally available information.

PROCESS ON HOW AND WHEN PEOPLE ARE BROUGHT 'INSIDE' ON SENSITIVE TRANSACTIONS

In terms of Clause 15 of Schedule B of SEBI (Prohibition of Insider Trading) Regulations, 2015 as inserted by SEBI (Prohibition of Insider Trading) Regulations, 2018 effective from 1st April, 2019 the company has to have a process on how and when people are brought 'Inside' on sensitive transactions.

ANALYSIS

It is intended that anyone in possession of or having access to Unpublished Price Sensitive Information should be considered as an "insider" regardless of how one came in possession of or had access to such information. Various circumstances are provided for such a person to demonstrate that he/she is not indulged in insider trading. Therefore, this definition is intended to bring within its reach any person who is in receipt of or has access to Unpublished Price Sensitive Information. The onus of showing that a certain person who was in possession of or had access to Unpublished Price Sensitive Information at the time of trading would, therefore, be on the person leveling the charge after which the person who has traded when in possession of or having access to Unpublished Price Sensitive Information may demonstrate that he/she was not in such possession or that he/she has not traded or he/she could not have access or that his

CODE OF CONDUCT FOR PREVENTION OF INSIDER TRADING, 2025

trading when in possession of such information was squarely covered by the exonerating circumstances.

PURPOSE AND ACTION

Purpose of this process is to determine how and when people are brought 'inside' on sensitive transactions and when a person is considered as an insider, he/she should be made aware of the duties and responsibilities attached to the receipt of inside information and the liability that attaches to misuse or unwarranted use of such information. A broad categorization of the persons to be treated as an insider should be made based on their involvement in any activity relating to Unpublished Price Sensitive Information. It should be determined on a case to case basis and the compliance officer should make the concerned person aware of the duties and responsibilities attached to the receipt of inside information and the liability that attaches to misuse or unwarranted use of such information.

The Board of Directors should take appropriate steps in this direction.

PENALTY

- a) Any Designated Person who trades in securities or communicates any information for trading in securities in contravention of this Code will be penalized and appropriate action will be taken against him / her by the Company after giving reasonable opportunity to explain his / her stand in the matter.
- b) In event of Contravention of this code of conduct, sanctions and disciplinary actions may be imposed including wage freeze, suspension, recovery, clawback or such other disciplinary action as suggested by the Board of Directors from time to time.
- c) In addition to the aforesaid penalties / punishments, the persons violating the Regulations may also be subject to any other action by SEBI as per SEBI Act. The Company shall inform SEBI promptly in case of any violation of the Regulations.
- d) Under Regulation 11 of the Regulations, SEBI can issue directions through guidance notes or Circulars provided that where any direction is issued by the Board in a specific case relating to interpretation or application of any provision of these regulations, it shall be done only after affording a reasonable opportunity of being heard to the concerned persons and after recording reasons for the direction.
