

Key Industry Highlights

Reduction in Interest Rates

Recent rate-cut by the RBI by 50 bps amidst inflation indicators, bodes well, for steady economic growth and is expected to revive positive sentiments in the real estate sector.

Enhanced focus on Infrastructure and Favorable Regulatory Framework

Clearances of large infrastructure projects, execution of **Swachh Bharat Abhiyan**, and implementation of favorable regulatory policies aimed to promote indigenous production and increased investments in India would provide significant impetus to the industry, especially to organized tile players.

Anti-Dumping Initiative

Recently, Ministry of Commerce initiated an Anti-dumping investigation regarding imports of Vitrified tiles, originating in or exported from China PR, this was a much awaited step by the Indian tile industry towards improving the competitiveness of domestic players.

Dedicated Freight Corridor

Dedicated Freight Corridors and Smart cities would spur the demand for tiles and would also lead to lower input costs.
